Hey Brenda,

Touching base with you about the talking points. Can you give me an ETA of when you can get them to us?

Also, we'll definitely need some pics of 911 operators fielding calls. Any idea how soon you can get us 2 or 3 of those?

Lastly, Glenn Burleigh will be focusing on the media (if, when, how and/or where we should do media is his duty). Feel free to contact him anytime. He is aware of the politics at 911 & is prepared to work with you to keep things moving forward. His cell phone number is 314-258-4149.

Talk to you soon,
Mike
